

UMainMenuWidget::NativeConstruct

```
graph LR; A[UMainMenuWidget::NativeConstruct] --> B[UMainMenuWidget::ConfirmRegistration];
```

A diagram illustrating a function call. On the left, a gray rectangular box contains the text 'UMainMenuWidget::NativeConstruct'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'UMainMenuWidget::ConfirmRegistration'.
