

ACube::BeginPlay

```
graph LR; A[ACube::BeginPlay] --> B[ACube::ChangeColor]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is filled with a dark gray color and contains the text 'ACube::BeginPlay'. The right box is white with a thin gray border and contains the text 'ACube::ChangeColor'. The blue arrow points from the right side of the first box to the left side of the second box, indicating a sequence of events or a function call.

ACube::ChangeColor
